Application to enrol in a Queensland state school

This sheet contains information on how to complete the Application for student enrolment form (SEF-1 Version 8).

Entitlement to enrolment

Under the *Education (General Provisions) Act 2006 (Qld)* a state school must enrol a prospective student if they are entitled to enrolment. While not exhaustive, the following matters may affect a prospective student's entitlement to enrol in a state school:

- if the school has a School Enrolment Management Plan or an Enrolment Eligibility Plan (enrolment is subject to eligibility under the plan)
- the applicant is a prospective mature age student (the applicant can only apply for enrolment at a mature age state school and will be subject to a satisfactory criminal history check, or as a student in a program of distance education. All prospective mature age students must have a remaining allocation of state education.)
- the prospective student is not of correct age for enrolment (relates to Preparatory Year and Years 1 to 6)
- the prospective student has been excluded, or is subject to suspension from a state school at the time of the application
- the school principal reasonably believes that the prospective student presents an unacceptable risk to the safety or wellbeing of members of the school community (application is referred to the Director-General)
- the school is a state special school and the prospective student does not meet the criteria for enrolment in a special school
- the proposed enrolment requires approval as part of a flexible arrangement under s.183 of the *Education (General Provisions) Act 2006 (Qld)*, and the arrangement has not yet been approved
- the prospective student is not an Australian resident or citizen or the child of an Australian permanent resident or citizen (visa restrictions may apply, fees may be charged, in some cases legislation requires that the prospective student must obtain approval from the Chief Executive via Education Queensland International (EQI) to enrol)
- the school does not offer the year level that the prospective student should be enrolled in
- the prospective student has no remaining semester allocation of state education. Enrolment cannot proceed until additional semesters are applied for by the prospective student (or parent on their behalf) and granted.

Prospective student

A prospective student is a person who has applied to enrol at a state school but who has not yet been accepted for enrolment.

Parent's occupation and education

All parents across Australia, no matter which school their child attends, are asked to provide information about family background (answering this question is optional). The main purpose of collecting this information is to promote an education system which is fair for all Australian students regardless of their background.

Court Orders

Any court orders concerning the prospective student's welfare, safety or parenting arrangements should be provided to the school, and the school should also be provided with any new or updated orders.

Name on enrolment form

A prospective student should be enrolled under their legal name as per their birth certificate. There is provision to also record a preferred family and/or given name. The preferred name will be used on internal school documents such as class rolls. The legal name will appear on semester reports unless there is a specific request to use the preferred name only. This request can come from parents/carers or the student (if the student is independent/mature age).

Gender

Information about gender is supplied to the Federal Government to comply with State funding agreements. The gender category with which a person identifies may not match the sex they were assigned at birth. There is no requirement for a student's gender recorded on this form to align with the sex shown on their birth certificate or passport.

Religious Instruction

Religious instruction is a program approved and provided by a religious denomination or religious society. Other instruction relates to part of a subject area that has been covered within the curriculum and may include, but is not limited to, personal research and/or assignments, revision of class work, and wider reading. Information about religious instruction available at the school, and about other instruction, is provided by the school at the time of enrolment and on the school's website.

Each year students will participate in Rochedale State School's water safety & swimming education program which will run during your child's Physical Education lesson.

Children will be assessed for swimming ability and confidence and then appropriately place in ability groups so that they are taught accordingly.

Students are asked to bring a swimming bag containing the following items:

- Swimming togs
- Towel
- Swimming cap
- Goggles (if so desired)

Please clearly name all items in a waterproof pen. Ensure all uniforms items, including underwear are named. Please provide a plastic bag for wet togs.

Please complete the attached permission form and return it with the enrolment pack. All students are expected to participate in this important part of the Physical Education curriculum. If your child is hesitant, for their benefit, we ask that you please encourage them to participate.

Please note this consent remains valid for the duration of enrolment unless withdrawn by parent through written advice.

Information and Consent form – Religious Instruction

Dear Parent/Carer

Queensland state schools embrace a multitude of cultural, religious and non-religious beliefs. Under the *Education (General Provisions) Act 2006*, schools are to provide RI each week if approached by a faith group seeking to provide RI and students of that faith attend the school.

RI informs students about the beliefs and values of a particular religion. It is delivered by volunteers of a faith group using instructional materials approved by that faith group.

All RI instructors must hold a blue card and participate in compulsory Student Protection and Code of Conduct training. RI instructors are only entitled to deliver the RI program outlined below. A school staff member will be present during the delivery of RI.

Participation in RI is not compulsory. Any student (except Prep students) may participate in RI if a parent has given consent and indicated a religion on the *Application for Student Enrolment Form* or in other written advice to the principal. A parent, regardless of their own faith (if any), may choose to give consent for their child to participate in one of the RI programs listed below.

Any child not participating in RI, or whose nominated religion is not represented within the RI programs at the school, will receive other instruction by a qualified member of school staff in a separate location during the time RI is held. Other instruction will relate to subject areas that have already been covered in class.

At any time, parents may provide written instruction to change their preference for their child to participate in or be withdrawn from RI.

The faith groups that provide religious instructors to deliver the program at our school are listed below:

Faith Group	Name of RI program	Aims and Goals
Christian	Big Question, Connect, Beginning with God, and Godspace	To inform students about the basic beliefs of the Christian faith from a non-denominational perspective. https://multifaithsri.org.au/faith-traditions/christian-ri/
Islam	Islam RI	Introduce basic principals of Islam to Muslim children in a fun and engaging manner. Help Muslim children to understand and practice Islam in a Multicultural and diverse society. https://multifaithsri.org.au/faith-traditions/islamic-ri/
Hindu	Hindu Dharma and Scripture Education	Teach moral values from the Hindu Dharma Scriptures to children. Celebrate various Hindu festivals to emphasize the importance of Hindu cultural values and traditions. https://multifaithsri.org.au/faith-traditions/christian-ri-2/

Information and Consent form – Religious Instruction

Further details about our school's RI program/s and other instruction are available on the school's website. You may also wish to access the Department's RI policy statement available at <http://education.qld.gov.au/schools/school-operations/ri-policy-statement.html> for further information.

The school will advise parents of child/ren participating in these programs if a faith group requires funds to cover the expense of materials used in RI.

You will also be notified of any changes to RI or other instruction.

If you would like further information about RI or other instruction at our school, or require assistance with completing the form below, please contact us on admin@rochedalss.eq.edu.au

Your sincerely
