Always our best

Independent
Public
School 

Mission Statement: Rochedale State School, as part of the global community, is committed to developing active, compassionate and lifelong learners. Integral to our philosophy is the development of inquiring, knowledgeable and caring young citizens who respect their own and other cultures.

Values/ Beliefs

1. All children can learn given the right time, right support and right opportunities.
2. Educators need to be responsive to students and parents to ensure the best holistic growth of all students.
3. Professional educators stay current and use data and feedback to inform and improve practice.

School Focus for Improvement

Improving the learning outcomes for all students with a specific emphasis on

- Reading
- Writing
