

INTERNET ACCESS AGREEMENT- PARENT/GUARDIAN

I understand that the Internet can provide students with valuable learning experiences.

I also understand that it gives access to information on computers around the world; that the school cannot control what is on these computers; and that a very small part of that information can be illegal, dangerous or offensive.

I give permission for my child's work to be displayed on the school pages under the following conditions:

- (a) All care will be taken to protect my child and his/her privacy.*
- (b) That no last names or other private information will be published.*
- (c) Full credit will be given to original work.*

I do/do not (please circle where applicable) give permission for my child's photograph to be used on the web pages either in their own page or in photos published of school activities under conditions (a) and (b) listed above.

I do/do not (please circle where applicable) give permission for my child's photograph to be used for student portfolios, school displays or other classroom purposes.

I accept that while teachers will always exercise their duty of care, protection against exposure to harmful information should depend finally upon responsible use by students.

I believe _____ (name of student) understands this responsibility and I hereby give permission for him/her to access the Internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some time and/or contacting me.
