

# Rochedale State School Explicit Improvement Agenda 2021

*Always our best*

Independent  
Public School

**Mission Statement:** Rochedale State School, as part of the global community, is committed to developing active, compassionate and lifelong learners. Integral to our philosophy is the development of inquiring, knowledgeable and caring young citizens who respect their own and other cultures.

## Values/ Beliefs

1. All children can learn given the right time, right support and right opportunities.
2. Educators need to be responsive to students and parents to ensure the best holistic growth of all students.
3. Professional educators stay current and use data and feedback to inform and improve practice.

## School Focus for Improvement

Improving the learning outcomes for all students with a specific emphasis on

- Reading
- Writing

## Specific targets for 2021

Year Level	Reading Targets	Writing Targets
Prep	90 % of students reading > PM 7 by end of year	90% of students achieving at C standard (Green) or beyond by end of year on school assessment tool.
Year 1	92% of students reading > PM 15 by end of year	90% of students achieving at C standard (Green) or beyond by end of year on school assessment tool.
Year 2	75% of students achieving beyond developmental expectations by end of year (Purple Zone)	30% of students achieving beyond developmental expectations (Purple) by end of year on school assessment tool
Year 3	65% of students achieving beyond developmental expectations by end of year (Purple Zone)	30% of students achieving beyond developmental expectations (Purple) by end of year on school assessment tool
Year 4	60% of students achieving beyond developmental expectations by end of year (Purple Zone)	30% of students achieving beyond developmental expectations (Purple) by end of year on school assessment tool
