

Investing for Success

**Under this agreement for 2021
Rochedale State School will receive**

\$305 991.00*

This funding will be used to

Help reach our improvement agenda targets for 2021 within our IB curriculum framework, specifically:

- Achieve the specific goals as outlined on our 2021 Explicit Improvement Agenda.
- Provide better differentiated support for all students.
- Develop skills of all students and improve outcomes across all domains of learning and/or individual learning plans.

Our initiatives include

- Provide intervention and extension strategies for students in each year level through an additional cohort teacher.
- Provide professional development, team collaborative planning time and coaching to enhance teachers' range of strategies for effective evidence based teaching.
- Enhance the professional learning of teachers in the school's focus areas of Reading and Writing.
- Continue to build teachers' and school infrastructure capacity to implement effective ICT teaching and learning embedded in our curriculum.

Our school will improve student outcomes by

Actions	Budget
1. Employ 2 x additional teaching staff with the specific aim of better supporting all students through a structured differentiated curriculum.	\$80 000 \$80 000
