

Dear Families,

Welcome to Rochedale State School, and to our School community. The Rochedale State School Tuckshop is operated by the P&C and all funds generated go back into the committee to benefit the school and its students.

Our primary aim is to offer quality food choices that children enjoy, fueling them for their school day. We offer a Smart Choices menu, approved by the Qld Tuckshop Association and run a seasonal menus using fresh produce, locally sourced, where possible, with a focus on limiting the amount of processed foods and packaging waste.

The Tuckshop is open Monday to Friday and all orders are placed in advance via the QKR! App, and then delivered to each class room via student tuckshop monitors.

The Tuckshop would not be possible without the help of parent volunteers; it provides a valuable service to students and parents and we are always looking for parent help. There are a few ways you can assist us in the Tuckshop. These include:

- Volunteering in the tuckshop - Volunteers start just after drop-off and help for 1 hour or ½ day, whichever suits. Morning Tea and Lunch is provided for volunteers.
- Home Baking - Baking our daily treats is a great way to help! Roster sign-ups are published in the newsletter each term.

As new parents to the school, the Tuckshop is a great opportunity to become part of that community of volunteers. Your children will love seeing you helping their school, and it is a great way to connect with other parents as well as teachers and staff throughout the school.

Grandparents are most welcome to volunteer but will need a Volunteer Blue Card. Information about this can be found on the school website.

Payments to Rochedale P&C are now managed through the Qkr! App online ordering system.

Qkr is a mobile payments platform that enables families to order and pay for goods & services directly from their smart device. Qkr accepts all major credit and debit cards, and parents can register more than one card on their account.

This enables parents to order and pay for Tuckshop, Uniforms and other P&C events directly from their phone or computer.

Getting Started:

- 1) Download Qkr! on your mobile device at either the Apple App store, or Google Play.
- 2) Register your information
- 3) Search for Rochedale State School
- 4) Register your children – Name, Class & Year
