Statement on Dress Code

Rochedale State School and its community have agreed upon a student dress code policy. These are aligned with the values, principles and expected standards outlined in the Responsible Behaviour Plan and all students are encouraged to support this policy by wearing the school uniform.

The school has adopted the student dress code as it believes the code:

- Promotes an effective teaching and learning environment by eliminating the distraction of competition in dress and fashion at school
- Fosters mutual respect among individuals at the school by minimizing visible evidence of economic, class or social differences
- Promotes a supportive environment at the school by fostering a sense of belonging

PARENTS

Parents are responsible for the provision and maintenance of the uniform mode of dress. They are to ensure their children are appropriately dressed each school day. It is also parents' responsibility to ensure all children's clothing items are clearly labelled with the student's name.

TEACHERS

Teachers will encourage children to adhere to the dress code and ensure children wear protective clothing and equipment as required. If a child is inappropriately dressed, the student will be sent to the principal/nominee to access appropriate items from the bank of uniforms held at the school.

PRINCIPAL

The principal is to negotiate a position with students and parents who are not complying with the dress code. Should a student be inappropriately dressed the principal or nominee will offer appropriate items from the school's bank of uniforms. In relation to inappropriate dress, the principal or nominee will take action that prevents risk to students or others, or action that maintains normal school operations. The principal will inform the student's parents or carers of the matter and if necessary, discuss it further with the relevant parties.

PARENTS AND CITIZENS ASSOCIATION

The Parents and Citizens Association will endorse the Student Code of Dress. The Rochedale State School Parents and Citizens Association will provide a bank of uniform items (in reasonable condition) for the school to provide to children whose parents experience financial distress or for some reason cannot provide them. The Parents and Citizens Association will review the uniform mode of dress as required and modify in consultation with the community.

The Rochedale Parent and Citizens Association will continue to make available the full range of uniforms through the school uniform shop.

PARENT AND CITIZENS ENDORSEMENT OF STUDENT DRESS CODE

The Parents and Citizens Association of Rochedale State School resolves that it supports a student dress code for Rochedale State School because it believes that a student dress code at Rochedale State School promotes objectives of Education (General Provisions) Bill 2006.

In particular, the Parents and Citizens Association of Rochedale State School supports the intention of a student dress code to provide a safe and supportive teaching and learning environment.
